

French Mid-Century Side Table in Oak France, c. 1950s

c. 1950s, France

A round side table in oak veneer. Two U-shaped supports intersect at right angles to form a cross base, carrying a lower circular shelf and a thick round top. The top shows a strong, swirling figure in the veneer, darkened…

STYLE	Mid-Century Modern
MATERIALS	Wood
CONDITION	ear consistent with age and use: chips and small losses to the veneer along the edge of the top and the base, scattered scratches and a lighter mark to the top surface. Structurally sound
HEIGHT	56 cm (22.05 in)
DIAMETER	65 cm (25.6 in)
