## Pair of Mid-Century Table Lamps, Brødrene Sæther, Scandinavia, circa 1950s

### DESCRIPTION

Pair of brass table lamps by Brødrene Sæther, Oslo, circa 1950s. Dome-shaped shades mounted on turned brass bases. The shades can be tilted to direct the light, allowing for adjustable illumination. Different patina between the two, one slightly darker. Original lacquered brass with visible wear, marks and patina consistent with age and use. New electrical cords and sockets.
